

Personal: Casey is a Bend native who loves all of the great things it has to offer. Hiking, paddle boarding, kayaking, Mtn. biking, trail running, camping, fishing, working out, simply being outdoors and enjoying the sun, snow, and all of the seasons we are fortunate enough to experience. He has two dogs, Cal and Gracie, who he loves spending time with and who keep him very active.

Playing: Casey grew up playing club soccer in Bend, before moving on to play with Westside Metros (now Westside Timbers) where he won 3 state championships and played in tournaments all over the country, such as Nomads, Surf Cup, Dallas Cup, Disney Cup and others. He was a member of the Oregon ODP State team for several years, 3 year Region IV regional team player, and U.S. men's U-18 national team player. He went on to play collegiately for 4 years at the University of Washington. Upon finishing his playing career he settled into coaching and has been enjoying it ever since.

Professional: Casey has spent the past 8 years coaching both at the club and collegiate level. At the club level he's coached a wide variety of age groups from U-10 to U-19 boys and girls. Including winning two state championships.
