

Personal: Jaron grew up in Eugene where he attended Sheldon HS. After graduating high school he moved north to attend Oregon State University where he obtained his BS in Exercise and Sports Science with a focus in Athletic Training. When he graduated he continued his trek northward and moved to Portland for a few years before he moved to the sunny side of the mountains and landed in Bend.

Playing: All through his youth, Jaron played club soccer. At around the age of 13 he started to specialize as a goalkeeper where he enjoyed playing the most. In college he played for the OSU Club team during his freshman and sophomore years, traveling to other local colleges to compete. Due to a full school schedule and 2 jobs, he had to quit club and joined an indoor soccer league to keep up his skills.

Professional: Jaron has been coaching soccer since 2014. He started at Glencoe HS in Hillsboro, Oregon where he was the Head JV Girls Soccer Coach. When he moved to Bend in 2015, he was able to connect with the Bend FC Timbers to come on as part of their coaching staff.
