

**Personal:** Calvin grew up in the Raleigh, NC area and has lived in Richmond, VA the past 2 years. He's excited to have moved to the area and get to explore it fully! He has a German Shepard/Husky mix, Marlowe, who just turned 1 year old and is a ball of energy who enjoys nothing more than racing around. When he's not coaching he enjoys going on hikes with Marlowe, watching sports, and playing soccer himself.

**Playing:** Calvin grew up playing soccer in the Raleigh area, for what is now NCFC. He played for their U-18 academy team and went on to play for UNC-Wilmington. He was a starter all 4 years, winning all conference and all-state awards as a senior. UNCW enjoyed a successful run when he was there, making it to the NCAA tournament 2nd round twice. He also trained with Wilmington Hammerheads, played for the NCFC u-23 team, and Houston Dynamo u-23 team during the summers while at UNCW.

**Professional:** Since his college career ended Calvin has enjoyed the transition into coaching. He has coached for 3 years since graduating. He has coached or trained across ages u9-u18 boys and girls at clubs in Wilmington and Richmond, PISA and FC Richmond. He has his USSF in-person Grassroots license and is pursuing his USSF "D" license. He most recently coached the FC Richmond u-11 and u-13 Magic Elite Boys teams who play in the Virginia Club Champions League.
