

Personal: Since moving from Portland 10yrs ago, Scott has enjoyed every minute of his time in beautiful Bend, Oregon. He is married and has an incredibly spirited daughter...both of which happened since moving here. Scott has experienced a lot of life as a; professional athlete, high school educator and advisor, all ages soccer coach, and pharmaceutical technician and designer. He is currently changing lives through Real Estate with Hasson Company, Realtors. If he is not on the field or on the job then he can be found laughing and loving life with his wife and daughter.

Playing: Scott has had many honors as an Oregon grown soccer player in club, college and the pro's. As a youth, he was on ODP teams and won multiple club state championships with FC Portland. In college he played for one of the nations top soccer schools at the University of Portland under legendary coach Clive Charles. Sagar assisted the team in multiple national playoff appearances and WCC conference Title's and awards culminating into captaining the team as a senior. In coach Clive's words "Sagar is the first player I put on the field and the last player I'd take off". Professionally, Scott went on to play for the Portland Pride indoor soccer team before heading to Mexico and playing with Irapuato.

Professional: Scott has been involved in the Beautiful game his whole life as player or coach. He currently holds a Youth National and a National 'C' license from the USSF with a life dedicated to the game. He has coached in a great many levels including competitive club soccer, ODP, high school and college since 1990. He has been awarded "Coach of the Year" for both club and high school soccer programs. Scott's time in club soccer has been honored with several State Championships for boys and girls programs. He has also taken his Oregon Episcopal School Varsity Girls Team through an undefeated season that led to their first ever State Championship and a deserved ranking of 14th in the Nation. Sagar has been involved with Central Oregon soccer since he moved here some 10yrs ago.
