

**Personal:** Travis is the father of two Bend Timbers players, Luke ('06) and Adam ('08). Outside of his day job and coaching soccer, Travis enjoys golfing, skiing, mountain biking, and volunteering in the community.

**Playing:** Travis grew up playing club soccer in Fairbanks Alaska since age 8, where he won two state championships and also participated in the Olympic Development Program. Playing took a back seat to engineering school in college and the start of his career, but starting coaching in 2011 brought back his love of the game.

**Professional:** Travis holds a USSF "E" license and has coached U11 and Junior Academy in his 3 years with the Timbers.

**QUOTE:** *"It is a gift to be able to share the field with children and to nurture the growth of their character and grit. When they learn what is possible through hard work and teamwork, they gain a confidence and growth mindset that extends beyond soccer."*
